Spring Street Service Center Techs Earn ASE Certifications

Karen Owens and Clark Mason, owners of Spring Street Service Center, are proud to announce that their employees Brent Lancaster, Ray Merz and Ken Bednarz have successfully completed their most recent ASE Certification exams.

The ASE (Automotive Service Excellence) Certifications are earned through rigorous testing and indicate their knowledge and competency as automotive professionals. They have each demonstrated their proficiencies in automotive diagnostics, repairs and service for all types of vehicles.

Spring Street Service Center is a family owned and operated, full service automotive repair facility located in Windsor Locks, CT.
