Suffield Chamber of Commerce makes Donation to benefit the Town.

At a recent Business After Hours event, the Suffield Chamber of Commerce raised funds to assist residents. Funds for three scholarship subscriptions were donated to the Suffield Mini Bus, as well as, funds to Kent Memorial Library for the purchase additional audio books and large print books.

Spring Street Service Center owners, Karen Owens and Clark Mason, were the hosts of the Suffield Chamber BAH event. Karen Owens is a member of the Suffield Chamber of Commerce Board of Directors and the business is located in Windsor Locks.
