Safe Kids Connecticut Program

Karen Owens, owner of Spring Street Service Center in Windsor Locks, and Raffia Road Service Center in Enfield, was invited to participate in a Safety Day at the Consumer Reports Auto Test Center, on April 3. Karen had the opportunity to ride the auto test track and participated in demonstrations of how vehicles are rated for passenger safety.

The Program was sponsored by *Safe Kids Connecticut* and *Consumer Reports. Safe Kids Connecticut* is a statewide network of professionals working together to prevent childhood injury and promote proper use of child safety seats. *Consumer Reports* is an expert, independent nonprofit organization whose mission is to work for a fair, just, and safe marketplace for all consumers.

Locally, a free Community Safety Awareness Day is scheduled for Saturday April 26, at Raffia Road Service Center from11-3. Child Safety Seat information and Car Safety inspections throughout the program.
