Community Safety Awareness Day

Families from the Enfield area participated in the *Community Safety Awareness Day* on Saturday, April 26, organized by Karen Owens of Raffia Road Service Center and Elaine Lupoletti of Servpo of Enfield.

Members and emergency vehicles of the Thompsonville Fire Department, Enfield Fire District, North Thompsonville Fire Department and the CERT Team were present and demonstrated their ability to respond to the community's needs. Child safety seat inspections were completed by officer William Vieweg of the Enfield Police Dept.

Members of the Enfield Explorers assisted in traffic control. The Broad Brook Rotary Club, JoAnn Walk of State Farm Insurance, and Erica Earn of New York Life were able to provide information on safety services to area families.
